1. Vision

Our Vision: Ensuring Excellence

We focus relentlessly on **ensuring that all children experience educational excellence every day so that they can achieve the very best outcomes - academically and in their personal development.**

We believe that this is every child's right and our responsibility.

2. Our EPIC Values

All schools in the trust are committed to:

**EXCELLENCE and a sharp focus on OUTCOMES
PEOPLE and CHARACTER
IMPROVEMENT through COLLABORATION
COMMUNITY and INCLUSIVITY**

EXCELLENCE and a sharp focus on OUTCOMES

EXCELLENCE	OUTCOMES
Our vision of ensuring excellence is for children, parents, staff, local governing boards, trustees and the wider community. We will always keep this front and centre in all that we do. It applies to all aspects of our work.	We believe that by focusing tirelessly on outcomes for our children, for academic and personal development, we will ensure that their life chances and life choices are maximised.

PEOPLE and CHARACTER

PEOPLE	CHARACTER
We recognise that it is in our children's best interests to recruit, retain and develop the very best staff in our schools. We continuously develop our staff to be masters of their craft. Any growth of the trust will depend on developing genuine capacity in advance of need to ensure that both new and existing schools ensure educational excellence every day.	For our children, we are as committed to character education as we are to academic outcomes; developing a visibly strong, pervasive ethos of aspiration in our schools. We foster a strong, shared sense of pride in belonging to an aspirational school community. We ensure that our curriculum enables children to develop their independence, creativity, reflective thinking, team working skills, self management and effective participation. We expect kindness from every adult and child - even when it's difficult; especially when it's difficult.

IMPROVEMENT through COLLABORATION

IMPROVEMENT	COLLABORATION
We believe in a clear model for continuous school improvement across our family of schools: The South Bank School Improvement Model. This is underpinned by an ethos of open accountability and genuine transparency. This best enables us to ensure educational excellence every day for our children.	Our schools are equal partners committed to true collaboration. We agree on best practice in all aspects of our work and then work together to make this world class. We also believe in our civic role and in collaborating beyond the trust for the benefit of children.

COMMUNITY and INCLUSIVITY

COMMUNITY	INCLUSIVITY
<p>We believe that a school is at the heart of its community. As well as ensuring that the trust's vision and values are realised, schools have agency to retain and develop their own unique character, culture, ethos and community links. We believe this is in the best interests of the children and communities we serve as a trust.</p>	<p>We strive for all our schools to be truly inclusive and we believe the diversity of our community makes our schools stronger and richer. We actively monitor and tackle all forms of inequality and discrimination. We aim to reflect the full diversity of the communities we serve in our staff and governance.</p>

3. Introduction

The board of trustees of the South Bank Multi Academy Trust is required to approve a governance structure for the Trust which must be:

- compliant with DfE requirements, company and charity law;
- scalable and so adaptable to growth or change within the Trust;
- reviewed annually by the Trustees.

The governance structure complies with the Academy Trust Handbook and the Articles of Association.

All members, trustees and governors must adhere to the 'Nolan Principles' of public life which are:

Selflessness – holders of public office should act solely in terms of the public interest. They should not do so to gain financial or other benefits for themselves, their family or their friends.

Integrity – holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.

Objectivity – in carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.

Accountability – holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

Openness – holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands it.

Honesty – holders of public office have a duty to declare any private interest relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.

Leadership – holders of public office should promote and support these principles by leadership and example.

All members, trustees and governors are encouraged to attend training regularly and review training needs annually. The Trust will arrange this training.

4. Effective governance

Members

The South Bank Multi Academy Trust is governed by non-executive directors constituted under a Memorandum of Association and Articles of Association. The members are responsible for:

- Subscribing to the memorandum of association (where they are founding members)
- Approving and amending the Articles of Association subject to any restrictions created by the funding agreement or charity law
- Appointing new members or removing existing members by special resolution, other than where there is one, the foundation/sponsor body and any members it has appointed.
- Appointment of Trustees as set out in the Trust's Articles of Association and powers under the Companies Act 2006 to remove Trustees.
- By special resolution, issuing direction to the Trustees to take a specific action.
- Appointing the Trust's external auditors and receiving (but not signing) the audited annual report and accounts (subject to the Companies Act).
- Changing the company's name and, ultimately, winding it up.
- Securing the highest standards of accountability from Trustees for the provision of all pupils in the Multi Academy Trust (MAT)

The Trust has a maximum of five members. A member counts towards the quorum by being present in either person or proxy. Three persons entitled to vote upon the business to be transacted, each being a member, or a proxy of a member shall constitute a quorum. Should there be three members then two shall constitute a quorum. Members cannot be employees of the Trust, nor occupy staff establishment roles on an unpaid voluntary basis.

Members will be kept informed about Trust business so they can be assured that the Trustees are exercising effective governance. Members will meet at least twice per year. The members will receive the Trust's audited annual report and accounts at the meeting held January.

Trustees

The Trustees should focus on three core functions:

- Ensuring clarity of vision, ethos and strategic direction
- Holding Executive Leaders to account for the educational performance of the organisation and its pupils, and the performance management of staff
- Overseeing and ensuring financial performance.

The Trustees will apply the highest standards of conduct and ensure robust governance, to ensure effective financial management. The Trustees will follow the Governance handbook and will adopt the following features of effective governance to aid compliance with the Academy Trust Handbook:

Strategic leadership that sets and champions the vision, ethos and strategy

Accountability that drives up educational standards and financial performance

People with the right skills, experience, qualities and capacity

Structures that reinforce clearly defined roles and responsibilities

Compliance with statutory and contractual requirements

Evaluation of governance to monitor and improve its quality and impact.

Trustees are responsible for:

- Complying with Trust's charitable objectives, with company and charity law and with their contractual obligations under the funding agreement.
- Ensuring the regularity and propriety in the use of Trust's funds, and achieving economy, efficiency and effectiveness.
- Taking ownership of the Trust's financial sustainability and its ability to operate as a going concern.
- Annual approval of statutory accounts, ensuring the accounts are produced in accordance with the requirements of the Companies Act 2006, Charity Commission requirements and the DfE guidance issued to Academies.
- Provide Members with a copy of the approved audited accounts.
- Assisting the decision-making process of the Trust, by enabling more detailed consideration to be given to the finances and resources.
- Entering all contracts on behalf of the Trust.
- The approval of annual estimates of income and expenditure for the Trust at the beginning of the academic year.
- Authorising income and expenditure in line with the Scheme of Delegation.
- Ensuring compliance with financial regulations and standing orders of the Trust.
- The appointment or dismissal of the CEO and CFO.
- Strategically controlling the organisation and managing the charitable assets.
- The determination of the educational character and mission of the Trust.
- Setting key strategic objectives and targets and reviewing performance against these.
- The determination of the Trust development plan.
- The approval of all statutory and non-statutory policies that are common to all Schools within the Trust.
- Co-opting Trustees in order to secure specific skills and knowledge.
- Intervening as appropriate in any school at risk of underperformance.
- The determination of the establishment, constitution, membership, proceedings and delegated powers and functions of the Local Governing Boards and committees and their annual review and revision.
- The appointment Chairs and Vice Chairs of Local Governing Boards/Interim school Boards annually.
- Considering all personnel management procedures.

The Trust has no maximum limit of Trustees. The quorum for meetings of the Trustees will be three voting Trustees and the term of office for all Trustees will be four years, save that this time limit shall not apply to any post which is held ex-officio. Other members of the trust's executive team may attend as non-voting members. Other senior staff may be invited when required.

Where an issue is being discussed that directly affects a Trustee or the CEO an interest must be declared, and the individual must withdraw from the meeting.

Any Trustee may attend any Local Governing Board meetings.

The Governance Clerk will undertake the clerking of the meetings of Members and Trustees and its committees and ensure that the minutes are included as an agenda item for consideration and approval at the next appropriate meeting.

All decisions made by committees with delegated powers must be reported to the next full meeting of the Trust.

The Chair of the Trustees will be elected at the first meeting of the academic year.

Committees

The Trust will have two committees, and Local Governing Boards for each school. The membership of the committees and LGBs will be reviewed and agreed by the Trustees.

The committees will meet as often as is necessary to fulfil their responsibilities and at least three times per year. Once, at the beginning to agree on the programme of work and once at the end to review.

The accounting officer (CEO) and other relevant senior staff should routinely attend committee meetings as appropriate to provide information and participate in discussions but will not participate as a member.

The committee may invite attendance at meetings from persons who are not members of the committee such as HR Director and auditors to assist or advise when appropriate.

Committee membership and terms of reference

Finance, Audit & Risk Committee

The membership of the Finance, Audit & Risk Committee will contain a majority of Trustees, but Trustees may agree to appoint other people to the committee. Employees of the Trust are not permitted to be members of the Finance, Audit & Risk Committee.

The Chair of the Trustees cannot Chair the Finance, Audit & Risk Sub-Committee.

The quorum for the Finance, Audit & Risk Committee is three and only members of the committees may vote at committee meetings. The chair of the committee will have a casting vote.

The Finance, Audit & Risk committee is responsible for providing assurance to the Trustees over the suitability of, and compliance with, its financial systems and operational controls. It ensures the adequacy and effectiveness of the Trust's systems of internal control, risk management, informing the statement of internal control of the Trust, and agreeing a programme of internal audit work, to provide assurance to the external audit process.

The committee has delegated responsibility from the Trustees for ensuring that there is a framework for accountability; for examining and reviewing all systems and methods of control both financial and otherwise including risk analysis and risk management; and for ensuring the charitable Trust is complying with all aspects of the law, relevant regulations, and good practice.

The remit of the Finance, Audit & Risk committee is determined in the Terms of Reference, reviewed annually.

All members, trustees and staff are directed to co-operate with any request made by the Finance, Audit & Risk committee.

Education & Standards Committee

The Education & Standards Committee is responsible for monitoring and evaluating the performance of schools and the effectiveness and efficiency of the leadership and management. They hold leaders to account by reviewing and scrutinising the quality of the curriculum, attendance, behaviour,

exclusion, SEND and safeguarding. A full remit of the committee is determined in the Terms of Reference document which is reviewed annually.

Local Governing Boards (LGBs)

The indicative composition of the LGBs will be:

Single school LGB

Governor category	Number	Term of office	Appointing body
Head of School/Headteacher	1	Ex-officio	N/A
General	Maximum of 5	4 years	Trustees
Parent	2	4 years	Parents by process of election
School Staff	2	4 years	School staff by process of election

Joint school LGB

Governor category	Number	Term of office	Appointing body
Head of School/Headteacher	2	Ex-officio	N/A
General	Maximum of 6	4 years	Trustees
Parent	2 (1 from each school)	4 years	Parents by process of election
School Staff	2 (1 from each school)	4 years	School staff by process of election

A Trustee may be appointed to attend meetings of the LGB. The CEO or Executive Headteacher may attend LGB meetings as ex-officio.

The suggested maximum size of the LGB will be 10 or 12 for joint LGBs (a larger number can be approved by the trust board on recommendation from the Chair of the LGB and/or the Headteacher/Head of School). A Chair and Vice-Chair will be appointed annually by the Trust, taking into account the recommendation of the LGB. All staff in the school will be eligible to stand as a Governor and participate in any subsequent ballot process.

All Governors on LGBs will be required to complete a skills audit which will enable the Trust to ensure that Governors have the necessary skills and experience to contribute to effective Governance.

The LGB will play a crucial role in both supporting and challenging the school/s, in particular the Senior Leadership Team. The ability of a LGB to fulfil this role is a vital component in demonstrating the effective leadership of the school/s and Governors must know that all pupils/students at the school/s are making progress at least at the rate that is expected of them.

The LGB will be supported and developed by the Trust to ensure that governance is effective. This is because we know that where governance is strong, standards of attainment are likely to be higher because pupils/students are well known and supported to be their best, the quality of teaching is a constant focus of attention, and the leadership of the school/s is held to account for the performance and well-being of the pupils/students.

The Trust is fully committed to the development of effective Governance through LGBs and will provide training to assist Governors in undertaking their role. In addition, and where appropriate additional Governors will be sought to add to the expertise of the LGB.

The LGB in conjunction with the Board of Trustees are responsible for:

- Acting always in accordance with the guidelines as agreed by the Board of Trustees.
- Holding a shared vision for the school/s, which is clear, understood and well communicated to staff, parents/carers, pupils, and students and reflects the fundamental values and objectives of the Trust.
- Providing high levels of professional challenge to hold senior leaders to account.
- Focusing on raising standards and promoting the personal development and well-being of all learners.
- Understanding the school's performance data and having an accurate overview of how all pupils are achieving in relation to their potential and other schools, as well as how different groups of pupils/students within the school/s are performing.
- Ensuring they have a good understanding of the barriers to learning, including attendance and behaviour issues and what the school is doing to overcome these.
- To act as the Pupil Discipline Committee for permanent exclusions and suspensions.

The Trustees are responsible for the performance of each school within the MAT. Therefore, on joining the Trust all existing Governors will be required to complete a skills audit and a governance review will be undertaken.

Where a school joins the MAT with an existing Interim Executive Board (IEB) this will continue as an Interim Academy Board (IAB). The Trustees and Executive Team will be responsible for determining the members of the IAB. A LGB will be formed at a time determined by the Trustees.

Where a school is deemed to be at risk of failing its pupils/students, the Trust Board will exercise the right to vary the matters delegated or reconstitute the LGB. They will be replaced by an IAB. The Trustees and Executive Team will be responsible for determining the members of the IAB. A LGB will be established at a time determined by the Trustees.

All LGB members, individually and collectively as a board, must at all times adhere to the Trust's Governor Code of Conduct. If a governor falls short of this, or if trustees reasonably believe that a governor's conduct or presence is not in the best interests of the school or the Trust, then trustees will take appropriate action in line with the Code of Conduct. This includes removing an individual governor should the Trust Board deem it to be appropriate.

Day to day leadership and management of the Trust's operations.

Executive Team

- CEO
- CFO
- Director of Human Resources
- Executive Officer, Trust Services

The Executive Team has primary authority for the day to day management of the Trust's operations save for those matters which are reserved for the Members and Trustees.

The members of the Executive Team may from time to time invite additional staff to the meetings as required.

The Executive Team is the overall decision-making body for performance and delivery across the Trust, under delegated authority from the Trustees.

Appendix D: Scheme of Financial Delegation

The centralised financial model has been developed to maximise efficiency and greater value for money through economy and effective management of resources providing complete transparency and accurate financial management throughout the trust. Central costs and professional services are managed by the Trust allowing individual schools to manage and control delegated funding to focus on key educational outcomes.

The Trust's financial handbook will determine financial policies, responsibilities and levels of authority which will reflect the nature/context of each school within the Trust. All matters in relation to capital, insurance, investments, leases, and land will be reserved for the Trust and any specific income generation or school specific grant funding will be invested in the education of the applicable school. Financial support will be delivered through business support partners who will directly support schools with the budget setting process, management accounts including long term strategic planning ensuring local school objectives are achievable.

Budget responsibility and setting process - all school and consolidated group accounts must be submitted to the Trust Board for ratification in time to meet ESFA deadlines. Indicative budgets must be in place by March each year. All budget information is to be provided using the Trust model template and will include a five-year medium-term plan reflecting future development aims and known revenue streams. The CFO and finance team will support school's during the budget setting process and will be ultimately responsible for the presentation of the consolidated group accounts to the Trust Board.
